## Accreditations

### *Friendly matches*

Accreditation deadlines: **Croatia – Moldova (until 20 May at 12:00.)**  
**Croatia – San Marino (until 27 May at 12:00)**

You can apply for the accreditation from May 14, only through the web application on the Croatian Football Federation website: <http://hns-cff.hr/en/media/accreditations/>

We kindly ask you to fill all the necessary information, including passport number; otherwise the application will not be processed. When you submit your application, an e-mail with a receipt of the application will be automatically sent to you.

We kindly ask you to respect the noted deadline. The application will automatically shut down at noted times and after that, no accreditation will be approved, not even in exceptional cases. Because there is a high demand for the accreditation for the home matches of the Croatian National Team, we will not be able to approve all the requests, and the advantage will be given to the media that follows the Croatian National Team on a regular basis.

### *Sv. Martin na Muri and Rovinj – team camps*

Accreditation deadlines: **Sv. Martin na Muri (until 18 May at 12:00)**  
**Rovinj (until 25 May at 12:00)**

Croatian National Team media activities during the preparation camp in Sv. Martin na Muri and in Rovinj will be held exclusively on the training grounds. For the access to the training ground, an accreditation issued by the Croatian Football Federation will be necessary. A special accreditation will be issued for Sv. Martin na Muri and as well for Rovinj. Therefore, it is necessary to send two accreditation requests for every journalist/editorial staff. After the noted deadlines, no application requests will be accepted.

Accreditation requests can be sent to e-mail [press@hns-cff.hr](mailto:press@hns-cff.hr). Requests should be sent by an editor or other official, either from an official organizational e-mail address or on an official organization letter-head, and it needs to contain following information: name and last name of the media representative, their function (reporter, photographer, cameraman, technician...) and e-mail address.

Approved accreditations will be issued at the training grounds of Sv. Martin na Muri and Rovinj and will be valid during the stay of the National Team in those cities.

Accreditation issued by HNS only allows access to the training ground in accordance with HNS schedule and rules set by the Federation.
